

# MVPP & MSHARP

## Application Workshop

## 1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work
- ▶ Business owners who want to learn about compliance with MIOSHA

## 2 Why You Need This Seminar . . .

- ▶ To reduce disabling injuries and illnesses to employees - and to ensure that every worker goes home safe and healthy every day.
- ▶ To reduce the high direct costs of work-related injuries, which grew to \$42.5 billion nationally in 2000, and indirect costs, which were estimated at an additional \$127 - \$212 billion in 2002. (*2003 Liberty Mutual Safety Index.*)
- ▶ To enhance your company's bottom line. A strong safety and health commitment not only protects workers, it also reduces worker's compensation costs, improves employee morale, and increases production and quality.

## 3 What You'll Learn . . .

This workshop is for those companies with an exemplary history of safety and health diligence and performance. These companies may qualify for either the **Michigan Voluntary Protection Program (MVPP)** or the **Michigan Safety & Health Achievement Recognition Program (MSHARP)**. These recognition programs are designed especially for such high performing worksites. Participants receive information regarding the benefits of participation in these programs such as exemptions from programmed inspections and state/national recognition for their success in Organizational excellence. The application and review process is covered in detail along with the differences in qualification requirements for acceptance in the **MVPP** and **MSHARP**.

*We offer a flexible program agenda to emphasize the topics you want most.*

- ▶ Review of MVPP and MSHARP Requirements
